

State Street,  
9000 South to 10600 South

**Preparing for Construction Business  
Brainstorming Workshop  
November 9, 2006  
Lake Hills Memorial Park**

State Street,  
9000 South to 10600 South

---

# Workshop Objectives

- Provide a project overview.
- Discuss ideas that will keep your customers returning during construction.
- Work with other businesses in your area to brainstorm ideas on how to prepare for construction.

State Street,  
9000 South to 10600 South

---

## Project Activities

- Full roadway reconstruction and widening from five to seven lanes from 9000 South to 10000 South.
- Pavement overlay from 10000 South to 10600 South.
- Full reconstruction of the 10600 South intersection.
- Improved drainage and utilities.
- Widening or reconstruction of canal box culverts at various locations throughout the corridor.

# State Street Community Coordination Committee (CCC)

State Street,  
9000 South to 10600 South

---

## State Street CCC

- A meeting was held to identify interested businesses.
- First meeting held in July, 2005.
- Met regularly through design. Will meet monthly during construction.
- Developed and will determine contractor incentive.
- CCC is available to provide construction information and is a resource for your construction questions or concerns.
